WEST HIGH YIELD RESOURCES CLOSES EQUITY FINANCING

CALGARY, ALBERTA, – May 10, 2007. West High Yield (W.H.Y.) Resources Ltd. (“West High Yield” or the "Company") announces that the Company has closed its previously announced private placement (the "Financing") with IBK Capital Corp. ("IBK") of Toronto, Ontario. In the Financing, the Company issued 4,500,000 units ("Units") at a price of $0.65 per Unit for gross proceeds of $2,925,000 million CDN. Each Unit consists of one common share of West High Yield and one-half of one common share purchase warrant. Each whole warrant is exercisable for one common share of the Company at a price of $1.00 per share for a period of two years from the closing date of the Financing. The Company may automatically convert the warrants if the common shares of the Company trade at or above $1.50 for a period of 20 consecutive trading days and upon 30 days' notification to the holders. All of the common shares and warrants issued pursuant to the financing will be subject to a four-month hold period in accordance with applicable securities laws and stock exchange requirements. West High Yield intends to use the proceeds of the financing for working capital, to fund exploration work on the Rossland project and to acquire neighbouring claims.

IBK acted as Agent on to the Financing and was paid a cash commission of $234,000 which is equal to 8% of the gross proceeds and was also issued 360,000 non-transferable compensation warrants, each entitling the holder to acquire one common share of the Company at a price of $0.65 per common share for a period of two years.

West High Yield is a junior exploration company focused on the acquisition, exploration and development of mineral resource properties in Canada with a primary objective to locate and develop economic gold and nickel properties.
